

CAREERS EDUCATION, INFORMATION, ADVICE AND GUIDANCE MEDIUM-TERM PROGRAMME

For our Careers Education Programme of Study, we work closely with Form The Future to gain the support of local employers. Therefore, the plans for each year group are subject to change, according to the availability of different employers as motivational speakers/interviewers, etc. In line with government policy, our work is now benchmarked against the ‘Gatsby Benchmarks’ – the recognised national standards for school careers provision. These are:

1. A stable careers programme
2. Learning from career and labour market information
3. Addressing the needs of each pupil
4. Linking curriculum learning to careers
5. Encounters with employers and employees
6. Experiences of workplaces
7. Encounters with further and higher education
8. Personal guidance

Our programme is reviewed annually with Form The Future and the Senior Leadership Team. Pupils complete evaluations at the end of all our careers days and we update the offer through the year if appropriate. Our post-16 destination data also feeds into the evaluation and update of our CEIAG. Please contact our Careers Lead, Mr E Willder, (ewillder@melbournvc.org) for more information on our CEIAG programme.

Please find below our Careers Programme for each year group. The numbers in brackets indicate the relevant Gatsby Benchmark.

Year	Term 1	Term 2	Term 3
7	PD lessons – Budgeting and Finance (4) <ul style="list-style-type: none"> • Budgeting • Savings and loans • Products and transactions 	What’s my line delivered by Form the Future – an event where pupils question employers about their jobs (5)	Careers in the curriculum activities in subjects (4)
